MEMORANDUM FOR: Colonel White

1. Here is the set of cards you requested in anticipation of another meeting with the Appropriations Committee.

2. You will note that I have not been entirely consistent with the descriptive statements at the top of each card. I will try to sharpen this up but some of the offices, e.g., Comptroller and Personnel, do not seem to lend themselves to this treatment without taking on the appearance of being stereotyped.

3. The detailed figures on the right side of the cards represent the on duty strength. All of the figures conform to the 29 February consolidated personnel report.

STATINTL

P.S. I have not as yet seen any of the material you requested for the Killian briefing but will be glad to check it against this if you so wish.
